 Portfolio: <https://divyanshu3030.github.io/portfolio/>

OBJECTIVE

BCA graduate with an interest in Web Development and Artificial Intelligence. Skilled in HTML, CSS, JavaScript, PHP, MySQL, and Python, with hands-on experience in building web applications and AI-based projects. Looking for an entry-level IT opportunity where I can apply my skills, gain practical experience, work on real-world projects, and grow professionally while contributing to the organization's success.

EDUCATION

Bachelor of Computer Applications (BCA)

Graphic Era Hill University, Dehradun
2023 – 2026 (Final Year)

Senior Secondary (Class 12 – PCM)

Shri Guru Ram Rai Public School, Dehradun
Completed in 2023

PROJECTS

Music Website — MusicStep

Link: musicstep.infinityfreeapp.com

- Created a responsive music website using HTML, CSS, JavaScript, PHP, and MySQL.
- Added login and signup system with database connection.
- Designed a music player with play, pause, next, previous, shuffle, and download options.
- Hosted the project online and made it work smoothly on mobile and desktop devices.

AI-Based Disaster Management System

Link: <https://divyanshu3030.github.io/Disaster-management/>

- Developed a web-based disaster prediction system using Python and TensorFlow.
- Implemented an LSTM deep learning model to forecast future disaster occurrences.
- Processed and analyzed historical disaster data using Pandas and NumPy.
- Improved prediction accuracy through data preprocessing and normalization.
- Built an interactive website to display disaster insights and predictions.

Tech Stack: Python, TensorFlow, Pandas, NumPy, Scikit-learn, HTML, CSS, JavaScript, Flask

TECHNICAL SKILLS

- **Programming Languages:** Python, JavaScript, TypeScript, C++
- **Web Technologies:** HTML5, CSS3, React.js, Tailwind CSS, PHP
- **Artificial Intelligence & Machine Learning:** TensorFlow, NumPy, Pandas, Scikit-learn
- **Database:** MySQL, SQL
- **Tools & Platforms:** Git, GitHub, VS Code
- **Microsoft Office:** Word, Excel, PowerPoint

CERTIFICATE

- **Full Stack Web Development – Coursera (Amazon) | April 2026**
